Circulation

Discover the return on investment that we have been delivering to our advertisers since we published our first edition over 20 years ago. Our newspaper's 45,000 readership in each edition we publish, provides unsurpassed penetration into the emergency services community. 1st Responder News is delivered in BUNDLES to every single fire department, substation, rescue squad and EMS crew in each state we service. These first responders are the backbone of our state and their status as solid citizens is attractive to businesses both in and out of the fire, rescue and EMS supply.

Mechanical/Ad Specifications & Dimensions

Even though your advertisement can run any size you wish, we have put together a sizing grid that corresponds with our retail frequency rate card. If you would like to run an advertisement that is a different size than one shown below, charges will be determined by calculating cost per inch from the ad closest in size on the grid.
